What do you like best about RFCU?

I have two things that I like best, staff and our members. I like that RFCU really takes to heart **"People Helping People"**. That applies to staff and members. I have been in banking for 40 years and I will say my last nine years of working at RFCU have been the best of my career.

What do you like to do for fun?

I really cherish the time spent with my family. I have two awesome boys they are my greatest accomplishment and an awesome sister who is my best friend. I love to crochet, don't always get items finished but I love to start.

BE AWARE!

Over 20,000 Americans have fallen victim from Romance Scammers.

A romance scam is when a fraudster creates a fake online identity to build a relationship and gain someone's trust, often through dating sites or social media. Once an emotional connection is established, the scammer manipulates the victim into sending money, gifts, or personal information under false pretenses.
